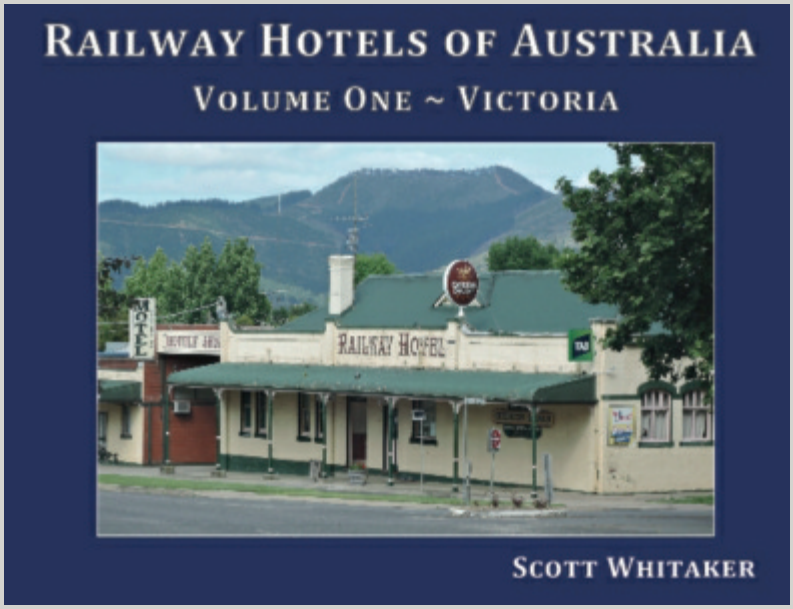
RAILWAY HOTELS OF VICTORIA

This new book by Scott Whitaker, railway enthusiast and part-time amateur historian, details the history of every Railway Hotel that trades, or once traded in Victoria. The book contains a wealth of information on the history of the railways in that state.



Volume One - Victoria

- 272 pages
- Full Colour
- Hard Cover
- 185 Hotels
- $69.95

- Landscape format - hard cover - 210 mm x 297 mm - full colour throughout, containing hundreds of historic and contemporary images on high-quality art paper.
- All books ordered direct will be personally signed by the author.

… I congratulate Scott for achieving this substantial compilation, and commend the book to a wide readership: railway and hotel hobbyists, publicans, people with an interest in local or social history, or with an interest in architecture. Many readers may be enthused to seek and sample survivors, and join the spirits of patrons and publicans from the early years…
Roderick B Smith, retired editor *Rail News Victoria*
