

EXCITING NEW BOOK RELEASE

This new book by Scott Whitaker, railway enthusiast and part-time historian, details the history of every Railway Hotel that trades, or once traded in Queensland. The book also contains a wealth of information on the history of the railways of Queensland.

Landscape format - hard cover - 210 mm x 297 mm - full colour throughout - 304 pages containing hundreds of historic and contemporary images, printed on high-quality art paper.

Volume Three details the Railway Hotels of Queensland is due for release in September 2017.

All orders received and paid for by 30 September 2017, will receive free postage, and the book will be personally signed by the author.

Secure on-line ordering at www.railwayhotelsaustralia.com.au

For those wishing to pay by cheque or money order, please complete the form below, enclose payment and post to SRW Publishing, PO 108, Bowen, QLD 4805.

...I congratulate Scott for achieving this substantial compilation, and commend the book to a wide readership: railway and hotel hobbyists, publicans, people with an interest in local or social history, or with an interest in architecture. Many readers may be enthused to seek and sample survivors, and join the spirits of patrons and publicans from the early years...

Roderick B Smith, retired editor *Rail News Victoria*
